HMS TECHNOLOGIES, INC. WINS PRESTIGIOUS NUNN-PERRY AWARD

Martinsburg, WV - HMS TECHNOLOGIES, INC. (HMS) announced today the company's award of the Prestigious Nunn-Perry Award as an outstanding Protégé small business under the Department of Defense (DoD) Mentor Protégé Program. Harry M. Siegel, President and CEO and Roy Jones Jr., Director of Contracts, along with representatives of its mentor IBM accepted the award in a ceremony held on March 10, 2010 at the Gaylord National Resort and Convention Center in National Harbor, Maryland.

Harry M. Siegel emphasized in his acceptance speech, "Support to the nation's Warfighter is of the utmost importance as we are a nation at war. For HMS to be recognized nationally for excellence in the Mentor-Protégée Program and to be congratulated on our support to our country's military personnel is a dream come true for us. We are humbled and honored by this spectacular award, and will not only display it proudly at our corporate facility, but will attempt to earn it every day our doors are open. This award represents thousands of hours of hard work from many dedicated HMS employees, and validates our commitment to our military, our mission and our nation."

The Nunn-Perry Award is named in honor of former Senator Sam Nunn and former Secretary of Defense Dr. William Perry. It was first awarded in 1995 to recognize outstanding Mentor-Protégé teams that were formed under the auspices of the DoD Mentor-Protégé program. This award honors teams that excel in quality technical assistance, return on investment and Protégé development.
