AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTIONS: Final rule with request for comments.

SUMMARY: The Federal Acquisition Regulation (FAR) is being revised to implement Section 308 of the Veterans Benefits Act of 2003 (Pub. L. 108–183). The law provides for service-disabled veteran-owned small business (SDVOSB) authority for service-disabled veteran-owned small business (SDVOSB) concerns. This interim rule is published in conjunction with the interim rule proposed by the Small Business Administration.

DATES: Effective Date: May 5, 2004.

SUPPLEMENTAL INFORMATION:

A. Background

Section 308 of the Veterans Benefits Act of 2003, Procurement Program for Small Business Concerns Owned and Controlled by Service-Disabled Veterans (Pub. L. 108–183) provides that the contracting officer may—

• Award contracts on the basis of competition restricted to SDVOSB concerns if there is a reasonable expectation that two or more SDVOSB concerns will submit offers for the contracting opportunity and that the award can be made at a fair market price; or

• Award a sole source contract to a responsible SDVOSB concern if there is not a reasonable expectation that two or more SDVOSB concerns will submit an offer, the anticipated contract price (including options) will not exceed $5 million (for manufacturing) or $3 million otherwise, and the contract award can be made at a fair and reasonable price.

The law limits use of SDVOSB procurement authority to procurements that would not otherwise be made from Federal Prison Industries (section 4124 et seq. of title 18, United States Code) or the Javits-Wagner-O’Day (WOD) Act (41 U.S.C. 46 et seq.).

The interim rule amends the FAR to—

• Establish the SDVOSB set-aside and sole source procurement authority;

• Correct an ambiguity in the definition of SDVOSB at FAR 2.101, 52.212–3, 52.219–1 and 52.219–8;

• Correct appropriate references to all authorized small business categories at FAR 5.206;

• Require the use of a numbered note when setting aside for SDVOSB at FAR 5.207(d). A new note to accomplish this task has been provided to FedBizOpps;

• Identify SDVOSB set-asides as another method of providing for full and open competition after exclusion of sources, without the need for a separate justification or determination and findings at FAR Subpart 6.2;

• Recognize that SDVOSB set-asides above the micro-purchase threshold, but below the simplified acquisition threshold are at the sole discretion of the contracting officer and are not subject to review by the Small Business Administration (SBA) Procurement Center Representatives, FAR 13.003 and 19.1405;

• Add correct references in FAR 19.301 concerning penalties for misrepresentations and false statements;

• Add FAR 19.307 to address the procedures for protesting a firm’s status as an SDVOSB and cross-reference this subpart in FAR 33.102;

• Add FAR Subpart 19.14 to incorporate policy and procedures for the SDVOSB Procurement Program consistent with SBA regulations;

• Revise FAR 36.501 to identify SDVOSB procurements (FAR Subpart 19.14) and awards pursuant to FAR Subpart 19.11 or FAR Subpart 19.13.

The Federal Procurement Data System-Next Generation (FPDS-NG) will be updated to reflect SDVOSB procurement authorities.

This is a significant regulatory action and, therefore, was subject to review under section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The changes may have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601 et seq., because the law provides that the contracting officer may use the set-aside and sole source procurement authority when contracting with SDVOSB concerns. Therefore, an Initial Regulatory Flexibility Analysis (IRFA) has been prepared and submitted to the Chief Counsel for Advocacy of the Small Business Administration. Interested parties may obtain a copy from the FAR Secretariat. The Councils will consider comments from small entities concerning the affected FAR parts 2, 5, 6, 13, 14, 15, 19, 33, 36, and 52 in accordance with 5 U.S.C. 610. Interested parties may submit such comments separately and should cite 5 U.S.C. 601, et seq. (FAC 2001–23, FAR case 2004–002). In correspondence, the analysis is as follows:

This Initial Regulatory Flexibility Analysis has been prepared in accordance with section 603, title 5, of the United States Code.

1. Description of the reasons why action by the agency is being considered. This interim rule revises the Federal Acquisition Regulation in order to comply with recently enacted Public Law 108–183, Veterans Benefits Act of 2003 (Dec. 16, 2003), section 308, Procurement Program for Small Business Concerns Owned and Controlled by Service-Disabled Veterans. This legislation provides for discretionary set-aside and sole source procurement authority for service-
disabled veteran-owned small business (SDVOSB) concerns. It expands upon existing legislation that provides assistance and support to SDVOSBs to better equip them to form and expand small business enterprises and to increase procurement opportunities, thereby enabling them to realize the American dream that they fought to protect, becoming disabled while serving our country.

2. Succinct statement of the objectives of, and legal basis for, the interim rule. This interim rule implements section 308 of Public Law 108–183 and provides for discretionary set-aside and sole source procurement authority for SDVOSB concerns. The objective is to provide Federal contracting officials a means to improve their performance toward the statutorily mandated 3% government-wide goal for procurement from service-disabled veteran-owned small business concerns.

2. Description of, and, where feasible, estimate of the number of small entities to which the interim rule will apply. The changes may have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601 et seq., because the law provides that the contracting officer may use the set-aside and sole source procurement authority when contracting with SDVOSB concerns. Specifically, a query of the Central Contractor Registration system indicates there are 198,732 small businesses registered, but only 4,714 (or 2.3%) of these small businesses are categorized as SDVOSBs. Further, a search of the website maintained by the Veterans Administration only resulted in the identification of 775 SDVOSBs. However, these numbers may not be accurate as terminology has not always been used consistently in all databases and regulations. Although the percentage is less than 2.5% it will undoubtedly impact the contracting dollars and opportunities afforded small business entities in the various small business categories as well as service-disabled veteran-owned small business entities.

4. Description of projected reporting, recordkeeping, and other compliance requirements of the interim rule, including an estimate of the classes of small entities which will be subject to the requirement and the types of professional skills necessary for preparation of the report or record. The rule will impose no new reporting or recordkeeping requirements on large or small entities.

5. Identification, to the extent practicable, of all relevant Federal rules which may duplicate, overlap, or conflict with the interim rule. The companion interim rule by SBA will be published at the same time as the FAR interim rule.

6. Description of any significant alternatives to the interim rule which accomplish the stated objectives of applicable statutes and which minimize any significant economic impact of the interim rule on small entities. There are not any alternatives to publishing this interim rule that will accomplish the stated objectives of Public Law 108–183, Veterans Benefits Act of 2003 (Dec. 16, 2003), Section 308. The rule includes only FAR text revisions required to implement the statute cited herein.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, et seq.

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense (DoD), the Administrator of General Services (GSA), and the Administrator of the National Aeronautics and Space Administration (NASA) that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary because this interim rule includes FAR text revisions required to implement recently enacted Public Law 108–183, Veterans Benefits Act of 2003 (December 16, 2003), Section 308, Procurement Program for Small Business Concerns Owned and Controlled by Service-Disabled Veterans.

However, pursuant to Public Law 98–577 and FAR 1.501, the Councils will consider public comments received in response to this interim rule in the formation of the final rule.

13. Amend section 19.301 by revising paragraph (d) to read as follows:

(d) If the SBA determines that the status of a concern as a small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, or women-owned small business has been misrepresented in order to obtain a set-aside contract, an 8(a) subcontract, a subcontract that is to be included as part or all of a goal contained in a subcontracting plan, or a prime or subcontract to be awarded as a result, or in furtherance of any other provision of Federal law that specifically references Section 8(d) of the Small Business Act for a definition of program eligibility, the SBA may take action as specified in Sections 16(a) or 16(d) of the Act. If the SBA declines to take action, the agency may initiate the process. The SBA’s regulations on penalties for misrepresentations and false statements are contained in 13 CFR 121.108.

14. Redesignate section 19.307 as section 19.308 and add a new section 19.307 to read as follows:

19.307 Protesting a firm’s status as a service-disabled veteran-owned small business concern.

(a) For sole source acquisitions, the SBA or the contracting officer may protest the apparently successful offeror’s service-disabled veteran-owned small business status. For service-disabled veteran-owned small business set-asides, any interested party may protest the apparently successful offeror’s service-disabled veteran-owned small business concern status.

(b) Protests relating to whether a service-disabled veteran-owned small business concern is a small business for purposes of any Federal program are subject to the procedures of Subpart 19.3. Protests relating to small business size status for the acquisition and the service-disabled veteran-owned small business status requirements will be processed concurrently by SBA.

(c) All protests must be in writing and must state all specific grounds for the protest. Assertions that a protested concern is not a service-disabled veteran-owned small business concern, without setting forth specific facts or allegations, are insufficient. An offeror must submit its protest to the contracting officer. The contracting officer and the SBA must submit protests to SBA’s Associate Administrator for Government Contracting. The SBA regulations are found at 13 CFR 125.24 through 125.28.

(d) An offeror’s protest must be received by close of business on the fifth business day after bid opening (in sealed bid acquisitions) or by close of business on the fifth business day after notification by the contracting officer of the apparently successful offeror (in negotiated acquisitions). Any protest received after these time limits is untimely. Any protest received prior to bid opening or notification of intended award, whichever applies, is premature and shall be returned to the protestor.

(e) Except for premature protests, the contracting officer must forward to SBA by mail or facsimile transmission (202-205-6390) any protest received, noting whether the contracting officer believes that the protest is insufficiently specific or untimely. The protest must be accompanied by a referral letter, with the notation on the envelope or facsimile cover sheet: “Attn: Service-Disabled Veteran Status Protest,” and be sent to Associate Administrator for Government Contracting, U.S. Small Business Administration, 409 3rd Street, SW., Washington, DC 20416.

(f) The referral letter must include information pertaining to the solicitation that may be necessary for SBA to determine timeliness and standing, including the solicitation number; the name, address, telephone number and facsimile number of the contracting officer; whether the contract was sole-source or set-aside; whether the protestor submitted an offer; whether the protested concern was the apparent successful offeror; whether the procurement was conducted using sealed bid or negotiated procedures; the bid opening date, if applicable; when the protest was submitted; and whether a contract has been awarded.

(g) The Associate Administrator for Government Contracting will notify the protestor and the contracting officer of the date the protest was received and whether the protest will be processed or dismissed for lack of timeliness or specificity.

(h) All questions about service-disabled veteran-owned small business size or status must be referred to the SBA for resolution. When making its determinations of veteran or service-disabled veteran’s status, the SBA will rely upon existing Department of Veteran’s Affairs or Department of Defense determinations. SBA will determine the service-disabled veteran-owned small business status of the protested concern within 15 business days after receipt of a protest. If SBA does not contact the contracting officer within 15 business days, the contracting officer may award the contract to the apparently successful offeror, unless the contracting officer has granted SBA an extension.

(i) The contracting officer may award the contract after receipt of a protest if the contracting officer determines in writing that an award must be made to protect the public interest.

(j) SBA will notify the contracting officer, the protestor, and the protested concern of its determination. The determination is effective immediately and is final unless overturned on appeal by SBA’s Associate Deputy Administrator for Government Contracting and Office of Hearings and Appeals (OHA) pursuant to 13 CFR part 134.

(k) The protested service-disabled veteran-owned small business concern, the protestor, or the contracting officer may file appeals of protest determinations with SBA’s OHA. The OHA must receive the appeal no later than 5 business days after the date of receipt of the protest determination. SBA will dismiss any appeal received after the 5-day period.

(l) The party appealing the decision must provide notice of the appeal to the contracting officer and either the protested service-disabled veteran-owned small business concern or the original protestor, as appropriate. SBA will not consider additional information or changed circumstances that were not disclosed at the time of the OGC’s decision or that are based on disagreement with the findings and conclusions contained in the determination.

(m) The OHA will make its decision within 5 business days of the receipt of the appeal, if practicable, and will base its decision only on the information and documentation in the protest record as supplemented by the appeal. SBA will provide a copy of the decision to the contracting officer, the protestor, and the protested service-disabled veteran-owned small business concern. The SBA decision, if received before award, will apply to the pending acquisition. SBA rulings received after award will not apply to that acquisition. The OHA’s decision is the final decision.

15. Amend section 19.501 by redesignating paragraphs (d) thru (h) as paragraphs (e) thru (i), respectively; adding a new paragraph (d); and revising the second sentence of newly designated paragraph (e) to read as follows:

* * * * *

(d) The small business reservation and set-asides requirements at 19.502-2 do not preclude award of a contract to a service-disabled veteran-owned small business concern under Subpart 19.14.
19.800 General.

17. Amend section 19.804–2 by revising paragraph (a)(9) to read as follows:

19.804–2 Agency offering.

(a) * * * *

(9) A statement that prior to the offering no solicitation for the specific acquisition has been issued as a small business, HUBZone, or service-disabled veteran-owned small business set-aside and that no other public communication (such as a notice through the Governmentwide point of entry (GPE)) has been made showing the contracting agency’s clear intention to set-aside the acquisition for small business, HUBZone small business, or service-disabled veteran-owned small business concerns.

18. Amend section 19.1007 by revising paragraphs (b)(2) and (c)(1)(i) to read as follows:

19.1007 Procedures.

* * * * *

(b) * * * *

(2) A solicitation in the designated industry groups must continue to be considered for placement under the 8(a) Program (see Subpart 19.8), the HUBZone Program (see Subpart 19.13), and the Service-Disabled Veteran-Owned Small Business Procurement Program (see Subpart 19.14).

(c) * * * *

(1) * * * *

(i) For acquisitions $25,000 or less, proceed in accordance with Subpart 19.5, 19.8, 19.13, or 19.14; or

* * * * *

19. Amend section 19.1102 by redesigning paragraphs (b)(5) and (b)(6) as (b)(6) and (b)(7), respectively; and adding a new paragraph (b)(5) to read as follows:

19.1102 Applicability.

19.1402 Applicability.

19.1403 Status as a service-disabled veteran-owned small business concern.

19.1404 Exclusions.

19.1406 Sole source awards to service-disabled veteran-owned small business concerns.

19.1407 Contract clauses.

19.1401 General.

(b) The purpose of the Service-Disabled Veteran-Owned Small Business Program is to provide Federal contracting assistance to service-disabled veteran-owned small business concerns.

19.1402 Applicability.

The procedures in this subpart apply to all Federal agencies that employ one or more contracting officers.

19.1403 Status as a service-disabled veteran-owned small business concern.

(a) Status as a service-disabled veteran-owned small business concern is determined in accordance with 13 CFR parts 125.8 through 125.13; also see 19.307.

(b) At the time that a service-disabled veteran-owned small business concern submits its offer, it must represent to the contracting officer that it is a—

(1) Service-disabled veteran-owned small business concern; and

(2) Small business concern under the North American Industry Classification System (NAICS) code assigned to the procurement.

(c) A joint venture may be considered a service-disabled veteran owned small business concern if—

(1) At least one member of the joint venture is a service-disabled veteran-owned small business concern, and makes the representations in paragraph (b) of this section;

(2) Each other concern is small under the size standard corresponding to the NAICS code assigned to the procurement;

(3) The joint venture meets the requirements of paragraph 7 of the explanation of Affiliates in 19.101; and

(4) The joint venture meets the requirements of 13 CFR 125.15(b).

(d) Any service-disabled veteran-owned small business concern (nonmanufacturer) must meet the requirements of 19.102(f) to receive a benefit under this program.

19.1404 Exclusions.

This subpart does not apply to—

(a) Requirements that can be satisfied through award to—

(1) Federal Prison Industries, Inc. (see Subpart 8.6);

(2) Javits-Wagner-O’Day Act participating non-profit agencies for the blind or severely disabled (see Subpart 8.7);

(e) Requirements for commissary or exchange resale items.

(a) The contracting officer may set-aside acquisitions exceeding the micro-purchase threshold for competition restricted to service-disabled veteran-owned small business concerns when the requirements of paragraph (b) of this section can be satisfied. The contracting officer shall consider service-disabled veteran-owned small business set-asides before considering service-disabled veteran-owned small business sole source awards (see 19.1406).

(b) To set aside an acquisition for competition restricted to service-disabled veteran-owned small business concerns, the contracting officer must have a reasonable expectation that—

(1) Offers will be received from two or more service-disabled veteran-owned small business concerns; and

(2) Award will be made at a fair market price.

(c) If the contracting officer receives only one acceptable offer from a service-disabled veteran-owned small business concern in response to a set-aside, the contracting officer should make an award to that concern. If the contracting
officer receives no acceptable offers from service-disabled veteran-owned small business concerns, the service-disabled veteran-owned set-aside shall be withdrawn and the requirement, if still valid, set aside for small business concerns, as appropriate (see Subpart 19.5).

(d) The procedures at 19.202–1 and, except for acquisitions not exceeding the simplified acquisition threshold, at 19.402 apply to this section. When the SBA intends to appeal a contracting officer’s decision to reject a recommendation of the SBA procurement center representative to set aside an acquisition for competition restricted to service-disabled veteran-owned small business concerns, the SBA procurement center representative shall notify the contracting officer, in writing, of its intent within 5 working days of receiving the contracting officer’s notice of rejection. Upon receipt of notice of SBA’s intent to appeal, the contracting officer shall suspend action on the acquisition unless the head of the contracting activity makes a written determination that urgent and compelling circumstances, which significantly affect the interests of the Government, exist. Within 15 working days of SBA’s notice to the contracting officer, SBA shall file its formal appeal with the head of the contracting activity, or that agency may consider the appeal withdrawn. The head of the contracting activity shall reply to SBA within 15 working days of receiving the appeal. The decision of the head of the contracting activity shall be final.

19.1406 Sole source awards to service-disabled veteran-owned small business concerns.

(a) A contracting officer may award contracts to service-disabled veteran-owned small business concerns on a sole source basis (see 19.501(d) and 6.302–5), provided—

(1) Only one service-disabled veteran-owned small business concern can satisfy the requirement;

(2) The anticipated award price of the contract (including options) will not exceed—

(i) $5 million for a requirement within the NAICS codes for manufacturing; or

(ii) $3 million for a requirement within any other NAICS code;

(3) The service-disabled veteran-owned small business concern has been determined to be a responsible contractor with respect to performance; and

(4) A award can be made at a fair and reasonable price.

(b) The SBA has the right to appeal the contracting officer’s decision not to make a service-disabled veteran-owned small business sole source award.

19.1407 Contract clauses.
